

Cutting the Rose

A, b, c, e, f, g/
H, i, j, k, l, m, n, o, PEE/
Peeing is a luxury for the young and the healthy/
Peeing is a sore affair for a girl that endures a sloppy cutting before her wedding/
Suddenly you can't pee without the stinging reminder/
That a schoolgirl holds her pee to avoid discomfort that binds her/
1, 2, 3, 4, 5, 6, thousand girls every day/
Cut, circumcised, and stitched up while boys go out to play/
May Day, May Day, her body is weighed down to the ground by three drunken ladies/
Baby girl has to be re-opened up prior to having babies/
Break open the campaign is not carried out on this occasion/
More like a piece of broken glass, a tin lid, shears or a razor blade for the festive initiation/
Mutilation on a female's genitals is quite traditional/
In over 28 countries in the "A" have innocent children victimized like criminals/
Stripped naked in terrible pain/
Pubic hairs shaved to the grain for an operation that even superman would refrain/
*Insane is to cut the rose in a woman's garden/
This only exposes the stem to harmful effects before life ever gets started/
Snip, snip, snip, clitori-dectomy, the removal of the clitoral hood/
Stitch, stitch, Infibulation, the "sewing up" for her husband is ungood/
Incisions performed by your friendly neighborhood midwife/
Who has never been trained by a surgeon on how to sew or cut with a knife/
Likes how it promotes virginity and making a female clean/
When it spreads a horrible smell around the vulva, destroying her self-esteem/
Extreme hemorrhaging occurs, losing buckets of blood/
Jack and Jill won't be going up that hill because anemia has surfaced like worms in the mud/
Raising the plank to more kidney and vaginal infections/
First time penetration is near death experience, turning the mood in the opposite direction/
Urinating just adds more steam to the fire/
Read one article about this topic and see if your sexual desire goes up any higher/
The survey says, 75% of men prefer an uncircumcised wife/
Not someone with long term medical problems for the rest of their life/
Fear of the black woman for years has been statement in my mind/
But it's the fear of a woman's sexuality that has us standing behind every great man in line/
No woman no cry is bull crap why, cause men can cheat and have high sex drive/
But a woman's worth is waiting at his bedside/
Eyes don't lie, Ms. Mermaid is not getting enough attention/
Other fishes in the marine will nourish her belly with affection/
Make the connection; flower needs water like flowers need sun/
Controlling her sexual delights won't stop her from running in the arms of a new one/
Dear fellows, take heed in God we trust/
The free personality and will of all women will forever be a must/*
